Mr. Roe, Health Officer, reported that the summer breakfast/lunch program has prepared a contract with the Board of Education for signatures. The employee will be paid \$4,000. The program kicks off July 15, 2019 and lots of publicity is being done.

Mr. Roe noted that in the Board packet is a statistical report on the surveys filled out by students at the open gym. The surveys shows good results on helping to prevent drug use and in improving police and youth relations.

Mr. Roe noted that the Hilton Library is holding an English as a second language program and an Adult Health Clinic will be held at the Library following this time to reach people who may not be going to a doctor. Flyers are in English and Creole.

Mayor De Luca asked Mr. Roe if the Hilton Library is promoting the summer food program. Mr. Roe said he will check and make sure this is done.

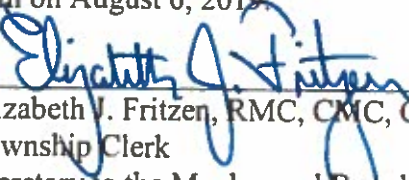

Mr. McGehee noted that the open gym survey showed a low number of students hearing about the open gym through social media and that this channel can be enhanced. Mr. McGehee asked if metrics will be kept on the summer food program. Mr. Roe said that this will be done.
